

Job Advert

Aneurin Bevan University Health Board

Clinical Specialist Orthotist

Job Overview

This role requires a dynamic and adaptable clinician who can work independently and collaboratively. The post holder will be responsible for delivering high-quality orthotic care across a range of clinical settings.

As part of Aneurin Bevan University Health Board, the successful candidate will be expected to work across multiple hospital sites, providing services in both acute and community environments.

To meet the demands of the role, the post holder must be independently mobile, with the ability to travel between locations across the Health Board area. This includes attending clinics, inpatient visits, and home visits where necessary.

Flexibility, excellent time management, and strong communication skills are essential to ensure continuity of care and effective service delivery.

Main Duties of the Job

- Deliver an efficient, effective clinical orthotic service aligned with departmental and health board plans.
- Accept referrals from consultants and healthcare professionals for orthotic management.
- Conduct comprehensive clinical assessments to determine orthotic needs.
- Prescribe, design, and provide orthoses promptly, including complex technical prescriptions.
- Ensure all interventions are evidence-based and meet professional standards.
- Collaborate with multidisciplinary teams for integrated patient care.
- Maintain accurate clinical records and support audits and service development.

The ability to speak Welsh is desirable for this post; English and/or Welsh speakers are equally welcome to apply.

Applicants must be HCPC registered and preferably members of BAPO.

Working for Our Organisation

Aneurin Bevan University Health Board is a multi-award-winning NHS organisation with a passion for caring. We provide an exceptional workplace where you can feel trusted and valued. Whether you're just starting out or looking to grow your career, we offer opportunities for everyone.

Serving a population of 650,000 and employing over 16,000 staff, the Health Board delivers integrated acute, primary, and community care. We offer a fantastic benefits package, extensive training and development opportunities, flexible working arrangements, and a strong focus on wellbeing, including plans for a Wellbeing Centre of Excellence.

Our **Clinical Futures** strategy continues to promote care closer to home while ensuring high-quality hospital care when needed. Join us on our journey to pioneer new ways of working and deliver a world-class healthcare service fit for the future.

Closing Date and time: 13 January 2026 at 23:59.
