

## Job Advert

### Aneurin Bevan University Health Board Orthotist - South East Wales

#### Orthotist – Aneurin Bevan University Health Board

*Applicants must be HCPC registered and preferably members of BAPO.*

#### Job Overview

Join our supportive, forward-thinking orthotic team providing high-quality care across Aneurin Bevan University Health Board in South East Wales.

We are looking for an enthusiastic Band 5 Orthotist, ideal for newly qualified clinicians or those wishing to further develop their skills. Applications are also welcome from students nearing completion of training who are committed to growing their clinical expertise in a structured, supportive environment.

The successful candidate will independently assess and provide orthotic care for both adults and children, working within a dynamic team focused on safe, effective, patient-centred practice. You will help deliver a high-quality, cost-effective service across a varied caseload.

#### Main Duties of the Job

- Provide orthotic assessment, treatment, and review for adults and children with routine to moderately complex needs.
- Manage your own caseload and travel independently across clinics within the Health Board, including community settings, hospitals, wards, and domiciliary visits.
- Deliver timely, patient-centred, evidence-based interventions to support safe mobility, functional independence, and improved outcomes.

*The ability to speak Welsh is desirable for this post; English and/or Welsh speakers are equally welcome to apply.*

## Working for Our Organisation

Aneurin Bevan University Health Board is a multi-award-winning NHS organisation with a passion for caring. We provide an exceptional workplace where you can feel trusted and valued. Whether you're just starting out or looking to grow your career, we offer opportunities for everyone.

Serving a population of 650,000 and employing over 16,000 staff, the Health Board delivers integrated acute, primary, and community care. We offer a fantastic benefits package, extensive training and development opportunities, flexible working arrangements, and a strong focus on wellbeing, including plans for a Wellbeing Centre of Excellence.

Our **Clinical Futures** strategy continues to promote care closer to home while ensuring high-quality hospital care when needed. Join us on our journey to pioneer new ways of working and deliver a world-class healthcare service fit for the future.

**Closing Date: 11/03/2026 23:59**
