

Job Advert Prosthetist – Billericay Essex

Prosthetist – Billericay Essex

Steeper Group is a true leader in the Orthotic, Prosthetic and Assistive Technology products. In the past 100 years we have grown to become one of the UK's largest suppliers. Steeper's vision is to create life's turning points, together. We aim to do this by delivering innovative prosthetic, orthotic and assistive technology products and responsive clinical services.

We have an exciting opportunity for a Prosthetist to join our existing team in Billericay in the southeast of England

The Role:

We are seeking a qualified and experienced **Prosthetist** to join our existing team at our clinic in **Billericay, Essex**. This role offers the opportunity to work within a dedicated multi-disciplinary team, supporting patients with a wide range of prosthetic needs to improve mobility, independence, and quality of life.

The successful candidate will manage a diverse clinical caseload, contribute to service development, and provide patient-centred care of the highest standard.

Key Responsibilities

Provide assessment, design, fitting, and ongoing management of prosthetic devices.

Work closely with patients to understand their goals and provide tailored solutions.

Collaborate with physiotherapists, occupational therapists, technicians, and other healthcare professionals to deliver integrated care.

Monitor patient progress, carry out adjustments, and ensure devices meet functional and clinical requirements.

Maintain accurate clinical records in line with professional and service standards.

Participate in clinical meetings, audits, and service improvement initiatives.

Uphold best practices in patient care, safety, and professional ethics.

Requirements

BSc (Hons) in Prosthetics & Orthotics or an equivalent recognised qualification.

HCPC registration as a Prosthetist.

Proven clinical experience in prosthetic patient care.

Strong communication and interpersonal skills, with the ability to work collaboratively in a multi-disciplinary team.

Commitment to patient-centred care and continuous professional development.

Organisational skills with the ability to manage a varied caseload effectively.

Desirable

Experience working within an NHS or private clinical setting.

Familiarity with a wide range of prosthetic componentry and technologies.

Evidence of participation in clinical research, service development, or teaching

What we offer in return:

Competitive salary

Incremental holiday allowance (rising with service)

Free parking

Employee discount platform

Employee Assistance Programs

Qualification support

Flexible working

Refer a friend incentive

Cycle2work scheme

Subscription and registration fees paid e.g. HCPC

Continuous professional development plans with internal and external training and courses available.

If you feel you have the necessary attributes to be considered for the above position, to apply, please complete an application form (available on our website) [Steeper Group - Steeper Group - Prosthetics Clinical Services](#) or submit your CV to hr@steepergroup.com

Due to the high volume of applications we anticipate we will receive for this role, in the event you have not heard from us within 14 days, we regret to inform you that you have been unsuccessful in your application.
