

The British Association of
Prosthetics and Orthotics

Job Advert

Dorset Orthopaedic Clinical Lead Prosthetist

Dorset Orthopaedic (Egham)

Organisation

Dorset Orthopaedic is one of the UK's leading providers of prosthetic, orthotic, silicone and rehabilitation services. The company was established more than 35 years ago and is now the UK private patient care division of Ottobock plc. We pride ourselves in continually seeking to understand our patients' unique requirements and deliver individual personalised care on a private basis. It's this bespoke service and attention to detail that has gained us our reputation for quality and personalised service since 1989.

The Role

With our current lead relocating to Australia, an opportunity has arisen for a Clinical Lead Prosthetist based at our Egham Clinic. This position would ideally suit a skilled prosthetist with experience of leading other MDT clinicians.

Working alongside a Practice Manager and Workshop Lead, the role includes the planning, development and oversight of the prosthetic, orthotic and physiotherapy team.

It involves taking a lead role in the shaping and provision of services to our patients. Ensuring as far as is practical that all devices from the clinic are ready for fitting and delivery in line with advice given to the patient, reasonable expectations and appointment schedules. Also ensuring as far as is practical that all devices produced and prepared conform with the Company's Quality Standards.

You would lead in identifying areas of business development and take part in the maintenance and establishment of working relationships with our business and referral partners. You would participate and undertake applicable professional, technical and career development training (delivered internally and externally) to include attainment of associated qualifications where required. To carry out any other duties reasonably falling within the purview of the post.

Closing date and Interview

Closing date: Friday 8th May 26.

Interview: Wednesday 20th May 26 in DOC Egham, Surrey.

Applications

Prosthetists wishing to apply for the role should forward a copy of their CV and cover letter to Moose Baxter (Head of Clinical Services – Dorset Orthopaedic). If you wish to discuss or have any questions regarding this role, please email Moose Baxter mooseb@dorset-ortho.com.
