

# Job Advert

## NHS Senior Orthotist

### Cardiff, Band 6

Cardiff & Vale University Health Board is seeking an enthusiastic Senior Orthotist (Band 6) to join our friendly and expanding Orthotics Service, based in the capital city of Wales.

This is an excellent opportunity to work within a well-established, forward-thinking NHS Orthotics department, delivering high-quality, patient-centred care across a varied clinical caseload, valuing innovation, learning, and evidence-based practice.

#### **Annex 21 – Developing Applicants Welcome**

Whilst advertised at Band 6, applications are welcomed from newly qualified or less-experienced Orthotists. For the right candidate, appointment at Band 6 under Annex 21 may be offered, with a structured development plan to support progression to Band 6.

#### **About the Role**

The post includes inpatient and outpatient clinics across major Cardiff hospitals, along with clinics in two Additional Learning Needs (ALN) schools, working within established MDTs. The caseload includes rheumatology, orthopaedics, neurology, spinal/scoliosis and diabetology. Cardiff & Vale UHB is the main centre for scoliosis management in South Wales, with strong links to the Major Trauma Unit.

#### **Working for your organisation**

Cardiff and Vale University Health Board is one of the largest Integrated Health Boards in the UK, employing over 17,000 staff, providing over 100 specialist services. Working across 6 hospital sites, we have a diverse range of career opportunities to offer. Serving over 500,000 people living in Cardiff and the Vale, we are focussed on the health and care needs of our local population whilst working with our partners to develop regional services. Together we are committed to improving health outcomes for everyone, delivering excellent care and support.

Our mission is “Living Well, Caring Well, Working Together”, and our vision is that every person’s chance of leading a healthy life should be equal. Our 10-year transformation and improvement strategy, Shaping Our Future Wellbeing,

is our chance to work collaboratively with the public and our workforce to make our health board more sustainable for the future

**Essential Criteria**

- BSc Honours Degree in Prosthetics / Orthotics or equivalent qualification
- Current registration with HCPC

**Desirable criteria**

- Member of BAPO
