

The British Association of
Prosthetics and Orthotics

Job Advert
Keele University
Lecturer in Prosthetics and Orthotics

Lecturer in Prosthetics and Orthotics (Education and Scholarship)

Hours: 1 FTE (FIXED TERM 3 YEARS)

Grade 7a or 8 depending on qualification and experience

Salary Range: Grade 7a £41,064 - £47,389 / Grade 8 £48,822 - £58,225
(Part time and job shares can be considered)

The Opportunity

An exciting opportunity has arisen for a fixed term (3 years) Lecturer in Prosthetics and Orthotics in the School of Allied Health Professions and Pharmacy, within the Faculty of Medicine and Health Sciences. We seek to appoint an enthusiastic and motivated Orthotist to teach within 2-year pre-registration Master's programme. The School offers high quality undergraduate and postgraduate provision and is part of a wider research community integrated within Schools and the Faculty. We are particularly seeking those candidates with a strong clinical background in Orthotics. Those new to teaching will be welcome to apply and will be required to undertake a teaching certification (if not already held).

MSc Prosthetics and Orthotics programme has proudly and consistently graduated high-quality practitioners. Students and staff enjoy excellent facilities, including a bespoke workshop, practical facilities and gait laboratory. Students also all have inter-professional educational opportunities with other Faculty of Medicine and Health Science students. Our programme works closely with NHS and Private partners, Industrial partners, expert patients and our professional body, BAPO. These opportunities offer exciting prospects to individuals wishing to further their scholarship and research activities as well as widen their teaching and learning skills.

The Benefits

The University recognises that its success depends upon the contribution and dedication of its talented staff. In return, we have a competitive benefits package available, including:

- Competitive rate of pay with annual increments within the grade (Keele Spine)
- Generous annual leave entitlement with opportunities to purchase additional leave
- Excellent staff pension scheme

- Access to continued personal, professional and career development
- On site 'outstanding' nursery
- Discounted health & fitness facilities on site
- Cycle to Work scheme (subject to eligibility)
-

Please note that the starting salary will typically be at the bottom of the pay scale shown above.

The University is committed to operating flexible working practices wherever possible.

The University

Keele University is renowned for its exciting approach to higher education, innovative research, beautiful campus, strong community spirit and excellent student experience. Further information can be found at

<https://www.keele.ac.uk/about/>

Keele University values equity and diversity across our workforce and to ensuring our staff community is reflective of the diversity of our student population. In support of these commitments the University welcomes applications from individuals of Black, Asian and ethnic minority backgrounds for *all* roles.

Please note this appointment is subject to a satisfactory Disclosure and Barring Service check.
